### UPCOMING EVENTS

---

We would like to welcome all new residents to Robert's Fields.

Our Annual Community Yard Sale will be held June 6<sup>th</sup> from 8am to 1pm. No rain date will be set.

Spring Gardens Elementary is graciously making their parking lot available. The spaces are \$5.00 for residents and \$10.00 for non-residents. Please call Shannon Thompson by May 22<sup>nd</sup> to reserve your space. All the proceeds for the spaces will go to Spring Garden Elementary.

Please remember to support The Farmer's Market every Saturday starting June 6<sup>th</sup> and Music in the Park on the second and fourth Saturday starting June 13<sup>th</sup>. Both events are held on Main Street.

**SPRING IS HERE!!!!**

Please remember to keep your property maintained. Keep your yards, fences, and so forth within the association's requirements.

We really do not like to send out violations but will do so if necessary.

All exterior changes, alterations, or additions to a property within The Fields homeowner's association requires an "Architectural Review Request" which must be approved by the Architectural Review Committee.

The "Architectural Review Request" form is available on the website, [www.thefieldshoa.org](http://www.thefieldshoa.org), under the "Bylaws and Applications" tab. If you aren't sure your future project would require approval, be safe and contact Cascade Property Management for advisement.

To help the Architectural Review Committee and the Board respond in a timely manner, please supply as much detailed information as possible about the specific location, material choices, design, color and size within your request submission. If applicable, copies of the property plat and pictures will be useful and appreciated.
